Health Care Provider Collaboration Space

Trending topic
Is your center experiencing shortage of blood products because of the COVID-19 pandemic?

Featured seminar
Coronavirus in Pediatric Oncology Units
Presenter: Miguel A. Canales MD MPH

As a global community working toward a common goal, we remain committed to our mission to treat and care for pediatric cancer patients. During this COVID-19 pandemic, it is a difficult time for everyone, but together we can address these challenges. By sharing experiences, we can learn from and support each other. We have provided a private and secure platform where we can come together as a community. We encourage you to add your voice to the conversation, ask questions, and collaborate with colleagues around the globe.

- Contributing to the discussions and asking and answering questions
- Participating in surveys and polls
- Taking part in webinars and town halls

Request Access to the Collaboration Space

COVID-19 Collaboration Space is a platform for health care professionals and trainees. New accounts must be approved for access. If you are not a medical professional, please go to www.together@stjude.org

Registration Form

First Name*

Last Name*

Click on Collaboration Space:
Connect Online

This page allows you to **request a login for the collaboration space**

You will then **receive an email from St. Jude Global** inviting you to register and join the site

If you have a Cure4Kids account, you **must still request access** to the new space.

LOG IN

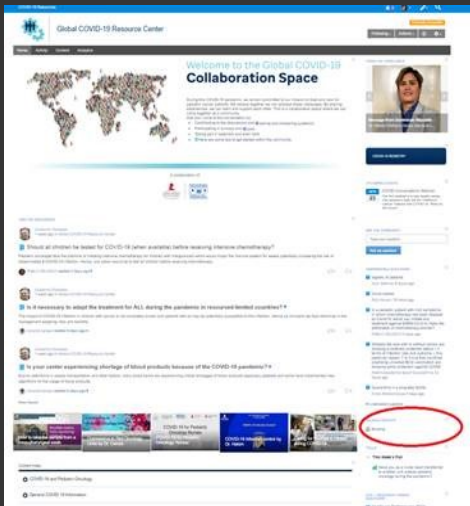

Once you've joined, you will be able to log in to the Collaboration Space

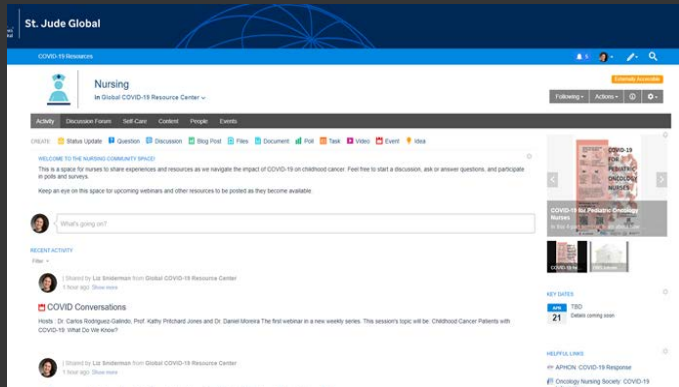

Access the Collaboration Space **directly** at:
stjudeglobalalliance.org/groups/covid-19

ACCESS THE NURSING COMMUNITY

Click on "**Nursing**" under Related Groups. This is our space to post, discuss, and collaborate!

Access the Nursing Community **directly** at: stjudeglobalalliance.org/groups/covid-19/projects/nursing

COLLABORATE

Share a question, video, comment, poll, or other idea with the Nursing community.

CREATE:  Status Update  Question  Discussion  Blog Post  Files  Document  Poll  Task  Video  Event  Idea

WELCOME TO THE NURSING COMMUNITY SPACE!

This is a space for nurses to share experiences and resources as we navigate the impact of COVID-19 on childhood cancer. Feel free to start a discussion, ask or answer questions, and participate in polls and surveys.

Keep an eye on this space for upcoming webinars and other resources to be posted as they become available.

What's going on?

DOWNLOAD THE APP!

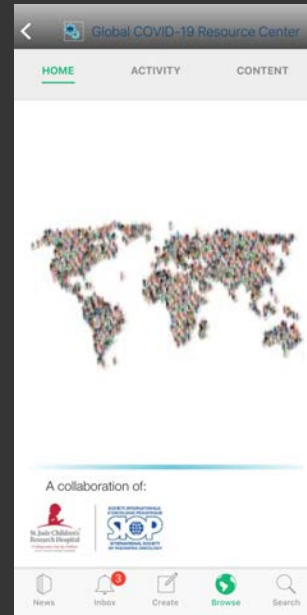

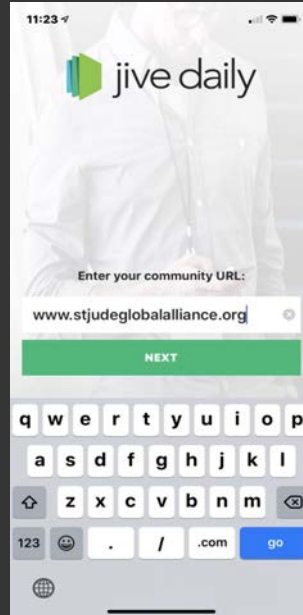

1. To download the Jive mobile app download the Jive Daily app (**not** Jive Daily Hosted) from either the *Apple App store* or *Google Play*.

2. Once the app launches, you will be required to enter the community URL (www.stjudeglobalalliance.org). Once you have entered that information, select **Next**.

3. On the following screen, you will be prompted to enter your username and password (*same as login for collaboration space*). Once you have entered that information, select **Log In**.

APP AVAILABLE FOR ALL!

Download the "**Jive Daily**" app on your iOS or Android device
