Tongji
Hospital,
Huazhong
University of
Science and
Technology
Wuhan, China

This webinar is intended to provide pediatric oncology nurses with **key knowledge about COVID-19**, including **clinical information, PPE recommendations, and considerations for our vulnerable population**. Experiences in managing the COVID-19 pandemic will be **shared by nurses** from impacted areas around the world. There will be time for **questions and discussion** from participants.

Wednesday, April 8

9:30 PM GMT +8
